Wylie APCA Writing Workshops Available for In-Class or Field Trip Presentation

Tips for More Effective Writing

Improve your writing with essential grammar, punctuation, and word choice tips for clearer and more professional assignments.

Field Guide to Formatting

Master the essentials of formatting, citing, and academic writing to avoid common pitfalls and create polished assignments.

MLA Formatting Rules

APA/Chicago Style Formatting

Database Scavenger Hunt

Students work in teams to locate articles using Collin College Library databases as they build MLA citation skills through this fun, clue-based competition.

Citing Government Documents

Wonder how to cite a bill, law, or government hearing? This workshop makes it easy to cite official sources.

We will come to you, or you may bring your classes on a field trip to the Center, located on the second floor of the library building, WLB217

We will be happy to arrange workshops outside of class if there is enough interest to attract students.
