# How to View Your Academic Progress:

- Log in to **CougarWeb** and navigate to Workday.
- Once you're on Workday, click the Menu button (top left) and click '**Academics Hub**'.
- Open up **'Academic History'** and select **My Academic Progress**

- Scroll down to your program's requirements.
  - The VA and Financial Aid will only cover courses that are part of your primary program of study. Your primary program is listed next to the **blue** circle.

- The main table with your **academic progress** will have several columns: Requirement, Status, Remaining, Registration Used, Academic Period, Units, and Grade.

∨ Collin College/Undergraduate (Information Systems Cybersecurity/Texas Core)

80%	Information Systems Cybersecurity **8 Satisfied** of 10 Requirements	100% Texas Core **10 Satisfied** of 10 Requirements

Cumulative GPA Including Transfer   1.429

Unused Registrations   24

∨ Information Systems Cybersecurity Requirements

Requirements Effective   08/07/2024   Last Evaluated   10/04/2024 11:34:54 AM GMT-06:00 Central Time (Chicago)

13 items

Requirement	Status	Remaining	Registrations Used
TSI - Math (Override Assigned)	Satisfied / Complete / Waived		
TSI - Reading (Override Assigned)	Satisfied / Complete / Waived		
TSI - Writing (Override Assigned)	Satisfied / Complete / Waived		

- To simplify which areas you are currently working on or have fulfilled, click on the 'Status' Column. For values, select **In Progress** and **Not Satisfied,** then hit **Filter.**

- The '**Remaining'** Tab will display the number of additional units (credit hours) required to fulfill that specific area's requirement.

- The '**Requirement**' column will indicate the areas that you have not completed.
   - Click the hyperlink to view the courses you still need to complete, as well as the courses offered as options.
