Your expected Major: _____

Collin County Community College District students who meet Texas Woman's University admissions requirements upon completion of studies at Collin and/or completed the Associate of Arts/Science degree at Collin, will receive automatic admission to Texas Woman's University. Students may apply for concurrent pre-admissions status up to 12 months prior to their first semester at Texas Woman's University.

Participants must complete the transfer application through www.applytexas.org, pay the application fee and submit official transcripts of all college work attempted within 12 months of anticipated enrollment at Texas Woman's University in order to initiate the formal admissions process. Go to www.applytexas.org and follow the online instructions, selecting the Transfer application and TWU as the target institution.

NOTE: Participation in the TWU Bound Program does not guarantee admission to a specific college, program or major at TWU. Students should contact the specific academic department for admission information.

I agree that my student records may be shared between TWU and Collin College to facilitate the administration of this program.
